Building Community Together

Allocations by Mission and Geography

The Jewish Federation of Greater Washington transforms shared resources into more vibrant lives and a stronger community. We bring people and financial resources together to advance our three-part mission:

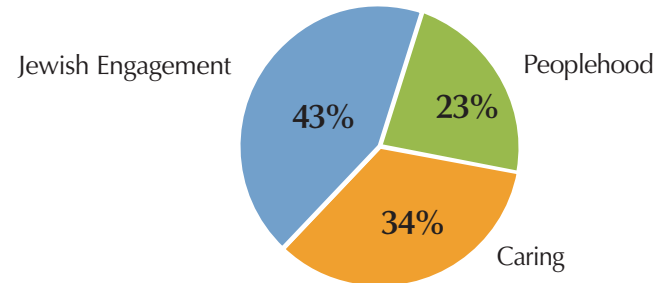

CARING: To care for those in need

JEWISH ENGAGEMENT: To deepen engagement in Jewish life and strengthen Jewish identity.

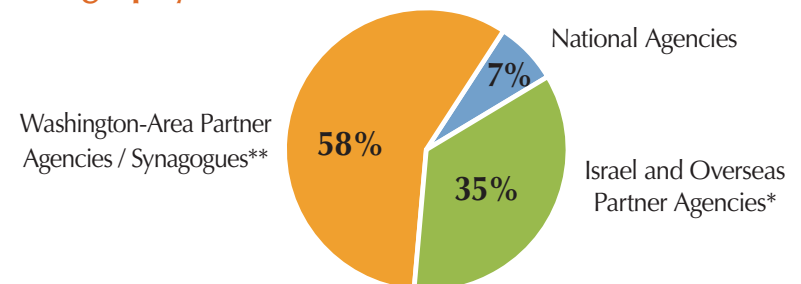

PEOPLEHOOD: To strengthen our sense of mutual responsibility and connections among Jews locally, in Israel and around the world.

We base our mission on our most fundamental and sacred Jewish values, including our responsibility to care for one another, our belief in tikkun olam, or repairing the world, and our belief in acting with kindness, decency and generosity. The Jewish Federation offers our community the opportunity to live these values, as well as to benefit from them.
