

Fact Sheet

EMERGENCY RESPONSE

The Need:

We must respond swiftly to address the immediate needs of individuals who find themselves in crisis.

\$30 mil. was raised nationally, \$900,000 from our local community, to provide immediate humanitarian relief for thousands of Israeli civilians through the Israel Emergency Campaign.

70,000 Ukrainian Jews benefited from bolstered security at Ukrainian Jewish institutions such as synagogues, yeshivas and community centers.

438,500 victims of Typhoon Haiyan received access to safe water, in addition to many other critical supplies and services after this tragic event in the Philippines.

2,440 adults and children experiencing anxiety and post-traumatic stress disorder, as a result of rocket fire from Gaza, received life-saving treatment and support in the form of therapy and counseling sessions.
