

Disability Inclusion:

A Talmud Page for Culture Change

1. **Why** is an inclusive community stronger than one that is not?

2. **What** universal rights do all Jewish individuals and families have?

An Inclusive Community...

is a stronger community¹. Jews with disabilities and their families have needs that are universal to all families². Advancing this ideal of disability inclusion requires the active involvement of those already involved as well as those outside the disability community³. While this quest is universal, Jewish tools, values and traditions provide teachable moments and lessons to advance inclusion⁴.

3. **Who** needs to be involved to effectively promote culture change?

4. **How** do Jewish values, stories and traditions provide teachable moments and reinforcement?
