

Honeymoon Israel

Honeymoon Israel • Impact Grant

This grant will fund follow-up programming in the local community after young married couples participate in Honeymoon Israel's 10-day Israel experience. The programming is designed to keep couples connected to one another and help each family find meaningful connections to the broader Greater Washington Jewish community.

Proposal

Honeymoon Israel

Funding

\$35,000

Category

NextGen - Impact

Program Goals

1. The couples consider themselves a Jewish family.
2. Both partners feel part of the Jewish people and feel that connection is a source of meaning in their lives.
3. Couple/family incorporates Jewish traditions, culture, activities, and/or ongoing exploration into their lives on a regular basis.
4. The couple engages in and builds their lives with Jewish community, including local micro-communities of Honeymoon Israel (HMI) couples and/or organized Jewish communities.
5. Both partners feel a connection to the land, state, and people of Israel.

Metrics

60-80 couples will apply for every bus

90%

of couples will attend at least 3 HMI engagement opportunities within 12 months post trip

All applicant couples are engaged in 4 touchpoints with HMI before a final concierge into the established Jewish community.
