

Federation's Young Leadership - Israel Leadership Mission

Israel Leadership Mission • Impact Grant

Federation's Young Leadership program will revive the Israel Leadership Mission (ILM), formerly the Alumni Leadership Mission. ILM will bring together local leaders, encouraging development of relationships with each other and Israel, and will develop a cohort of connected Jewish leaders who care about the larger Jewish community.

Program Goals

1. Israel Leadership Mission aims to empower, educate, and equip individuals to lead their fellow peers, develop budding relationships between organizations, and become cognizant of the importance of their role within the Greater Washington Jewish community.
2. Build cohesion amongst emerging local leaders so they can more easily engage in cross-organizational collaboration.
3. Connection to Federation and future involvement.

Metrics

100% of participants will give at Ben Gurion Society level for FY20 and 80% will retain that level in FY21

90% of participants will leave the program with increased knowledge of Federation, leadership skills, Israel and Jewish identity

15% of participants join the National Young Leadership Cabinet within 5 years of the trip

75% holding a leadership role in Federation within 18 months (leadership role can be defined as sitting on a board, chairing a committee, or sitting on committee)

*To align with Israel Your Way, this trip has been postponed until the Spring of 2021.
