

## Hill Havurah

### Hill Havurah New Parents' Gathering • Impact Grant

This grant will fund a monthly gathering of Jewish and interfaith individuals and couples with their new babies. Through the program, participants will receive education around Jewish ritual at home, provide mutual support, and build connections with one another.

#### Proposal

New Parents' Gathering

#### Funding

\$2,500

#### Category

NextGen - Impact/Innovation

#### Program Goals

1. To provide young parents with a source of Jewish connection and learning during their babies' infancy.
2. To provide young parents with an opportunity to connect socially with other Jewish and interfaith families.
3. To give young families the sense of a home in their congregation and in the Jewish community more broadly.

#### Metrics

80% of participants to attend Tot Shabbat throughout the year

**Q2:** First Tot Shabbat after first program is coming up soon so no data yet

Measure the distance people are willing to travel to programs

**Q2:** Found that families traveled from other parts of DC to attend the program

## 50%

of participants to join the Havurah as members sometime in the next three years

## 20%

of families to promote the program that will result in a friend's participation

of families to return within one month

## 3-4

families expected at each session

**Q2:** 3 families attended the first session which represented a diverse group of individuals in DC
