

Bender JCC

JFamily Ambassadors/Wandering J | Innovation Grant

Through J Family Ambassadors (JFA), the Bender JCC welcomes young Jewish families residing in Montgomery County, focusing on those minimally connected to the Jewish community. The JFA program builds on the success of PJ Library by offering opportunities to connect to community in a comfortable and accessible way.

The JFA program engages the entire Jewish community in new ways, at new locations. The Wandering J, our dynamic Center on wheels, eliminates space and location as a barrier. The Wandering J becomes the perfect complement to the program by rolling into these public spaces and attracting disconnected individuals to participate in Jewish programming.
