

Gesher Jewish Day School

Transportation Expansion | Impact Grant

For the 2021-2022 school year, Gesher's transportation expansion seeks to ensure Gesher transportation is both cost efficient and strategic with expanded bus stop locations across Northern Virginia. In our third year, expansion targeted service to Temple Rodef Shalom (TRS) and Congregation Adat Reyim. Increased stop locations allow Gesher to serve more students in a cost-effective way and build community through a mutually beneficial collaboration.

By the summer of 2022, we plan for the Pozez JCC's Camp Achva, which has moved onto Gesher's campus, to utilize our busses.
