

Haberman Institute for Jewish Studies

Virginia is for Lovers of Learning | Impact Grant

The Virginia Is For Lovers of Learning grant will enable the Haberman Institute for Jewish Studies to continue to expand and enhance our sophisticated and meaningful Jewish educational program offerings for residents of Northern Virginia. In our ongoing effort to support this underserved and growing Jewish community, the Haberman Institute will employ a part-time staff professional dedicated to cultivating relationships with Northern Virginia organizations and lay leaders and creating and facilitating customized adult Jewish education programs. We plan to offer in-person, virtual and hybrid programs in partnership with congregations and community organizations.
