

Acorn Fund

Have you considered making a lasting gift to your Jewish community but were concerned about how to do so?

Do you want to make a charitable investment now that will grow in the future?

Partner with the Jewish Community Foundation in creating an Acorn Fund designed to grow into a significant endowment and ensure your community's future.

Jewish Community Foundation Acorn Fund at a Glance

- Provide resources to the Jewish community forever
- We will invest your original donation to become a large endowment in the future
- Receive a current charitable tax deduction
- We will permanently recognize your name or the name of a loved one

Guidelines

The guidelines for the Acorn Fund program, briefly, are as follows:

- You contribute at least \$10,000 over no more than four years.
- The Foundation will invest your contribution until it reaches the fund size you target or for a maximum number of years.
- Once the target amount or date is reached, the fund will become a lasting endowment. Distributions from the fund will then be made annually.
- You will be recognized for the target amount of the endowment when you establish the fund.

Once your Acorn Fund reaches its target amount, a fund will be established in your name or in the name of a loved one. Your fund will be invested, in a professionally managed, well-diversified portfolio. Each year, a distribution will be directed to the purpose you specify.

You choose the field of interest, program or agency to benefit from your generosity.
